<b>Modèles 3D de « La Boa »</b>		
La Boa – sans accessoire	La Boa – avec godet chargeur	La Boa – avec pelle rétro
 <p>A 3D CAD model of the 'La Boa' vehicle chassis. It features a purple frame, a black roll-over protection structure (ROPS) with two white lights on top, a cyan seat, and a green battery pack. The front has a simple orange metal bumper.</p>	 <p>The same 3D CAD model as above, but with a tan-colored loader bucket attached to the front via a white lift arm mechanism.</p>	 <p>The same 3D CAD model as above, but with a green rear-mounted loader arm and a cyan bucket attached to the back.</p>
